and find Podcast 54!

5. Enter a nickname (username) that you want to use. Do not use your real name, pick something that no one else has. You can add numbers to the end to make it unique. Get tips by clicking on the help link at the bottom of the page if you have trouble:

We suggest that you use your imagination and to have fun when creating your LEGO® Club nickname and password!

Try a name with a combination of letters and numbers.

For example: john32 or mary26.

Or use the name of a famous place, person, book, toy or song you admire.

For example: legoland01.

When choosing a password, the minimum requirement is six (6) characters, so try to think of a word or combination of letters and numbers six (6) characters long before you type them in!

You may want to write down your LEGO nickname and password somewhere safe so you can refer to it next time you visit us.

6. Enter the password you want to use twice. Remember to pick a different password than your nickname, and keep it a secret!

7. Enter the rest of the information. You don't need an email address!
