

Documenting our Field Trip with

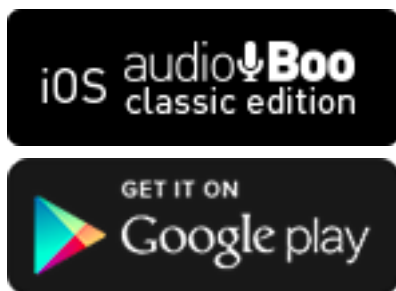

The logo for AudioBoo, featuring the word "audio" in a light blue sans-serif font, a microphone icon in a darker blue, and the word "Boo" in a bold, dark blue sans-serif font.

One of our parents has created a free account on the website AudioBoo which we can use to document our field trip.

If you have a smartphone (iPhone or Android) you can download the free AudioBoo app, and let students record short commentaries about things they learn on our field trip.

Get the App!

Visit the website <http://audioboo.fm/about/apps> and click to download the free AudioBoo app for your phone. If you have an iPhone, download “AudioBoo Classic Edition”

Scan this code to download the app!

Login with our account

Login to the app with our account credentials:

password:

Record & share audio & photos

In the AudioBoo app, click to create a new audio recording. Students can record up to 3 minutes, and will get a 3-2-1 countdown before recording starts.

After recording, you can add a related photo to the recording. Click PUBLISH and the audio with photo will upload to our AudioBoo channel.

For confidentiality reasons, please take photos of objects / things on the field trip students are talking about, rather than taking pictures of students' faces today.
